### **Betty Brown, Member of the British Empire**

On behalf of the Parish we have very great pleasure in congratulating Mrs Betty Brown who was awarded the MBE in the January 2001 New Year's Honours list. For over 30 years Betty has worked — continues to work — for the benefit of the Parish on many fronts, not least as Clerk to the Parish Council for 31 years until her retirement from the post at the May 1999 election and her service to the Guides since she was a teenager. We offer our heartfelt thanks on a well-deserved and hard-earned honour.
