

Invitation to Suggest Suitable Sites for Development in West Grinstead Parish (Call for Sites)

The West Grinstead Neighbourhood Plan Working Group would welcome suggestions for any developable sites which can be included in the Neighbourhood Plan (NP) to meet local housing needs.

If you have a site which you would like to offer up for consideration in the NP over the next 15 years or know of anywhere which might be suitable then please let us know.

Commercial sites will also be considered, so if your business is looking to expand or you have any ideas for business locations then we would like to hear from you.

Sites of any size and nature will be assessed against clear criteria, consistent with the overall NP objectives, for possible inclusion within the NP. Please supply a plan of the site plus a name and contact details of the owner/ site promoter.

Contact the Parish Clerk on 01403 710270 or
Email: clerk@westgrinstead-pc.gov.uk
