FRIENDS OF ST GEORGE'S

Contact: Susie Jacobsen 711763 susiejacobsen@hotmail.com

The ancient Parish Church of St George's West Grinstead is of Saxon origin with a serene and beautiful interior and delightful rural setting by the Adur. A hidden gem known as the Farmer's Church, its pews are painted with the names of local farms, past and present, and the long tradition of weekly Book of Common Prayer worship continues unbroken from the 1600s. Currently we have a thriving four-part choir and bell-tower team for our peal of six. (Newcomers welcomed)

FoSGs was founded in 1997 to ensure that the church could continue in good repair to serve our community and future generations as a centre of worship, comfort, contemplation and fellowship. Past fundraising has re-shingled the spire, restored the fine marble monuments, mediaeval wall paintings and wood panelling, repaired the stained-glass windows, provided new lighting, re-vamped the heating and installed a neat sink and storage units for coffee on Sundays and events catering.

We plan various annual fund raising events to continue this vital stewardship and to support the latest project to provide a lavatory with disabled access for our congregations and many visitors. Your interest, support and company is invited; do get in touch and visit. The church is open every day to welcome you.

FRIENDS OF ST MICHAEL'S

Contacts: Secretary: Frank Green
710952 Treasurer: Bill Holt

Following the coming of the railway, the Church of St Michael and All Angels was built in 1890 to serve the growing village with its farms and brickworks. St. Michael's Friends was formed in 2002 to help with the maintenance of the Church and the Church Hall and to promote co-operation between their users. We obtained Charity status in 2015. Although many people are not regular churchgoers

they use the Church for family occasions such as weddings, baptisms and funerals. We are always very happy to welcome new members and hope you will join us or at least attend some of our functions. Our subscription is now £10 per year but we have retained our original subscription of £5 for those who prefer. Some members like to pay a small monthly donation which is most welcome. Many members like to help run our projects and social occasions, which can be great fun. Please come along to some of these occasions and enjoy yourself.

Over the last two years we have refurbished the hall, which has made it much more pleasant to use and we hope will increase lettings, as this provides a small income for both Churches. We have also had the boiler room cleaned out, which was in a bad state, and redecorated it.

Please contact the treasurer for membership and we will look forward to welcoming you to our next social occasion which will be advertised.
