FRIENDS OF ST GEORGE'S

Contact: Susie Jacobsen 711763 susiejacobsen@hotmail.com

The ancient Parish Church of St George's West Grinstead is of Saxon origin with a serene and beautiful interior and delightful rural setting by the Adur. A hidden gem known as the Farmer's Church, its pews are painted with the names of local farms, past and present, and the long tradition of weekly Book of Common Prayer worship continues unbroken from the 1600s. Currently we have a thriving four-part choir and bell-tower team for our peal of six. (Newcomers welcomed)

FoSGs was founded in 1997 to ensure that the church could continue in good repair to serve our community and future generations as a centre of worship, comfort, contemplation and fellowship. Past fundraising has re-shingled the spire, restored the fine marble monuments, mediaeval wall paintings and wood panelling, repaired the stained-glass windows, provided new lighting, re-vamped the heating and installed a neat sink and storage units for coffee on Sundays and events catering.

The church is open every day, with hand sanitiser available and guidelines for the protection of our visitors.

FRIENDS OF ST MICHAEL'S

Contacts:	Chair: Simon Harvey	711005
	Treasurer: Bill Holt	710730
	Secretary: Patrick Letschka	713196

Following the coming of the railway, the Church of St Michael and All Angels was built in 1890 to serve the growing village with its farms and brickworks. Friends of St. Michael's was formed in 2002 to help with the maintenance of the Church, which needed a lot of work, and the Church Hall together with the promotion of fellowship between their users. We obtained Charity status in 2015. Although many people are not regular churchgoers they use the Church for important family occasions like weddings, christenings and inevitably funerals. We are always happy to welcome new members to the Friends and hope you will join us, or at least attend some of our functions. A small subscription of £5 to £10 is most helpful, and any donations are always welcome. Many members also like to help run our functions and social occasions, which can be great fun, so please come along to some of these occasions.

Over the last couple of years we have refurbished the hall, which has made it much more pleasant to use and we hope will increase lettings, as this provides a small income for both Churches. We have also had the boiler room cleaned out and redecorated, and a new boiler installed. We have also obtained a faculty to provide a small kitchen at the rear of the Church for coffee making after services.

Please contact the Treasurer for membership and we look forward to welcoming you to our next social occasion which will be advertised.

ST CATHERINE'S HOSPICE – PARTRIDGE GREEN GROUP

Contact: George and Thelma Brown

710218

We are pleased to report that construction work on the new St Catherine's Hospice facility at Pease Pottage is well under way, and it is anticipated that it will open in the autumn of 2023. The new Hospice will provide 26 en-suite rooms for patients with one room offering space for family to stay overnight, a coffee lounge for visitors and a courtyard garden. None of this would be possible without financial help from volunteer organisations like our Partridge Green Group which has contributed many thousands of pounds over more than 20 years.

Although the Hospice is still unable to resume regular collection of goods from us at Pound Cottage, we would again like to point out that donations of saleable furniture and other household goods can still be collected by arrangement with the Hospice warehouse. A call to 01293 583077 will get you a collection date.

Hospice collection boxes are still on the counters of our shops and pubs, and despite the current squeeze on people's finances, they continue to provide a very useful source of income. Please keep up the good work - your help is vital and much appreciated by the Hospice.

Thank you to all of our supporters.
